# Gap in market

- Banks offer corporate cards but no integrated software to manage expense.
- Zero Real-Time Spend Transparency
- Small Businesses Lack Financial Automation
- Expense Fraud & Policy Violations
- Spend Analysis & Optimization Tools Don't Exist
- Finance Teams Lack Workflow Tools
- No combined cards + software + controls

Powering Smarter Business Finance

# Where Apotsa Operates

-  Corporate Cards
-  Expense Management
-  Accounts Payable
-  Accounting Automation
-  Procurement & Vendor Management
-  Travel & T&E
-  Integrations & Ecosystem
-  Spend Analytics & Cost Savings
-  Controls, Compliance & Security
-  Platform & Experience

# Apotsa MVP Features

- Expense Tracking & Reimbursements (India-first wedge)
- Spend Controls & Approval Workflows
- Virtual Corporate Cards
- Real-Time Spend Dashboard
- Accounting Sync
